

27th Annual Youth & Law Forum

“Justice for All: Wake Up!”

Workshop Topics:

- youth homelessness,
- appropriate responses to traffic and safety stops,
- the benefits and perils of social media,
- careers in law enforcement,
- entertainment and the law,
- responses to trauma associated with bullying, harassment, racism, and community violence, and
- accessing behavioral health wellness resources.

As in past years, the **2017 Youth & Law Forum** (a **FREE community service**) will provide practical information about the justice system and offer youth and their parents/guardians a safe environment for discussing and learning about legal rights and responsibilities. The Saturday event will include a thought-provoking keynote address by **Angela Rye**, an American attorney and the Principal and CEO of IMPACT Strategies, a political advocacy firm in Washington, DC. She currently is running the boards of the Congressional Black Caucus Institute, Congressional Black Caucus Political Action Committee, **Seattle University School of Law Alumni**, and Women in Entertainment Empowerment Network. The Forum will also feature guests from our local and federal court system, local Police and Sheriff offices and the WA State Bar. Against the backdrop of recent political and election issues, it is critical that we have representation from young men and women from all racial, cultural and socioeconomic backgrounds. Hon. Charles V. Johnson is Honorary Chair and Co-founder and Ms. Pettway McCray, Attorney at Law is Forum Chair.
